LOCAL MEN IN TWO MILLION DOLLAR CORPORATION

Tire and Rubber Plant Is Being Formed; Glendale Will Seek Industry

Articles of incorporation for the Pacific Tire & Rubber Manufacturing company have been forwarded to the secretary of state by Attorney Owen C. Emery of Glendale. The incorporators are C. E. Calm and William B. Wightman of Los Angeles, W. O. Bruess of Santa Monica and J. B. Treadwell and Owen C. Emery of Glendale. The capital stock of the concern will be $2,000,000 with a par value of $10.

Immediately after the incorporation papers are approved, Attorney Emery will apply to the state corporation commissioner for the right to sell 5,000 units of twenty shares ($200) which will furnish $1,000,000 with which a plant will be built. There is to be no promotion stock, according to its incorporators.

Seek to Bring It Here

"Every effort will be made to bring the Pacific Tire factory to Glendale," said Attorney Emery this morning in an exclusive interview with The Glendale Evening News which has been closely following Mr. Bruess' plans for bringing this rubber industry to this city.

In view of the fact that there are 250,000 motor cars in southern California, it is believed that the task of selling $200 units, which will entitle stockholders to a 40 per cent discount on the list price of the tire products, will be an easy matter inasmuch as only 5,000 motor car

WOMEN GUESTS OF LEGION PROPOSE CO-OPERATION

More Than 'K. P.' Service Is Necessary From Auxiliary, So Speakers Assert

Co-operation was the keynote of last night's joint meeting of the local American Legion post and the women's auxiliary of the organization when about eighty of the ex-service men and their wives and mothers met at the Legion hall at 610-A East Broadway. Both the men and women speakers throughout the evening expressed their belief that the future existence of the American Legion depends upon the co-operative efforts of the two organizations.

Mrs. Carol Marks of Los Angeles, who is president of the state department of the auxiliary, was the main speaker of the evening, her address being in the form of a report of the activities carried out by the state society during the past year. She also laid particular stress on the importance of the opportunities of helping the ex-service men of the state in the coming bond election and other legislative propositions.

Great Growth Shown

"We want you all to forget that women have more to do than act as 'K. P.' for the men," remarked Mrs. Marks in speaking of the program of activities that is being outlined for the women for next winter. This program consists of extensive relief work, further organization and a complete arrangement of the year's legislative campaign.

The heart of humanity which calls the sixteen graduates of the Glendale Sanitarium and Hospital training school into a chosen profession will lead them to far flung fields. While some of the young women do not know definitely what they will do, the diversity of their plans are indicated by the report on the following: Miss Anna Belle Roberts will return to her native country of China this coming November. Miss Mabel M. Stierwalt will teach hydro-therapy and physiology in conjunction with continuing her studies at Sutherlin academy in Oregon. Elizabeth Buhler, Martha Schuler, Harriet Alderson, Marguerite Louise Unruh and Ethel Gyes, all of whom come from Portland, Ore., are returning to their home city. The Misses Olive Evans and Lillian Munson will remain as graduate nurses at the local institution while Miss Fern Bostwick, among others, will take up special work.

T. W. WATSON IS GIVEN TIME IN POLICE COURT

Retiring City Manager Gets Sentence to Wear Gold Watch for Life

Thomas W. Watson, who retires as Glendale's city manager, was summoned by Chief of Police J. P. Lampert to appear in Police Judge F. H. Lowe's court this morning at 11 o'clock.

A jury of twelve municipal department heads heard him plead guilty to the charge of being a good city manager, for which he was given time—sentenced to wear a beautiful Elgin case Waltham watch, as a gift from his associates.

The arraignment was brief and well worded by Judge Lowe, who said in part:

"It having come to our knowledge that you have presented your resignation to the city council as manager of the city of Glendale, and that that resignation has been accepted, and being aware of the fact that you are about to go on a vacation, we have deemed this an opportune time to say we regret the severance of your relations with the city and with us.

Honor and Respect.

"I think it is appropriate to say that the fellowship and comradeship has not and never can be severed. Our many years of association with you as employes of the city has taught us to honor and respect you as a man as well as a faithful employe of the city.

"We have been benefitted by our contact with you and we want to thank you for the fine, congenial spirit manifested toward us. Our regret is tempered in that we feel your future has fallen into pleasant lines and we feel that in your association with the R. L. Kent company you will render to Mr. Kent the same loyalty which you have given the city."

After congratulating Mr. Kent on his choice of Mr. Watson to head a new department, Judge Lowe then made the presentation of the watch, the case being inscribed as follows:

"Presented to Thos. W. Watson by associates in city hall, August 13, 1921."

Expresses Appreciation

In response, Mr. Watson expressed the highest regard for the men whom he has known since coming to Glendale as a boy, and said he expected they would extend the same loyalty to his successor. In conclusion, he said:

"I find that a number of people are expressing the thought that a great burden has been rolled off my shoulders. I want to say that my work with you in serving the public has been most pleasant. It surely has not been a burden."

Today's World News In Brief

(By United Press to Glendale Evening News)

COMMITTEE OPPOSES SEARCH BY PROHIBITION AGENTS

WASHINGTON, Aug. 13.—Protection of the home against search and seizure by prohibition agents without warrants was approved by the house judiciary committee today.

AGAINST INDEPENDENCE FOR PHILIPPINE ISLANDS

WASHINGTON, Aug. 13.—General Leonard Wood, who has been investigating conditions in the Philippines is understood to have advised against independence for the islands in the immediate future.

U. S. TREATIES WITH GERMANY, AUSTRIA AND HUNGARY

WASHINGTON, Aug. 13.—The United States government is negotiating separate peace treaties with Germany, Austria and Hungary. Following word that the German treaty is nearly ready for signature it was learned authoritatively at the state department today that work on the treaties with Austria and Hungary had been started.

STOCK MARKET CLOSING CLASSED AS BEING 'HEAVY'

NEW YORK, Aug. 13.—The stock market after a firm opening closed somewhat heavy today. United States Rubber made a new low during the last ten minutes of trading at 47¾, off ¾. Studebaker was off more than a point from the high of the first hour. Asphalt was helped by short coverings. Tobacco stocks were firm.

COURT ACTION TO DECLARE JAPANESE WHITE RACE

WASHINGTON, Aug. 13.—The United States supreme court will be asked to declare the Japanese a white race and thus entitled to American citizenship. A request will be made, in the case known as Takao Ozawa versus the United States, in which the petitioner is seeking to establish his rights to become a naturalized American. Ozawa will be represented before the court by George W. Wickersham, former attorney general.

HARDING URGES RAILROAD BILL BE PUSHED THROUGH

WASHINGTON, Aug. 13.—President Harding in a conference with Republican House Leader Mondell urged that the administration's railroad bill be pushed through the house before the proposed congressional recess despite strong opposition to it in the senate. Indications are that the president, believing that the measure is vital to relieving business conditions, may bring pressure to bear for the enactment of the measure.

FORMER HUSBAND SENDS MESSAGE TO ACCUSED WOMAN

LOS ANGELES, Aug. 13.—"Am coming at once. Keep strength." This was the simple message of promise and encouragement received by Madalynne Obenchain early today from her former husband, Ralph R. Obenchain, now speeding westward on a transcontinental limited. Madalynne visibly recovered her spirits and poise on receipt of this telegram, the first definite assurance that the man whom she deserted for love of another was still steadfast.

MYSTERY WOMAN IN PRIEST MURDER SURRENDERS

SAN FRANCISCO, Aug. 13.—Doris Shirley, one of the two missing women in the investigation of the murder of the Rev. Father Patrick Heslin, walked into the police station and introduced herself to the authorities. She was accompanied by a man giving the name of Lee Putnam of Fresno. He said he intended to marry Miss Shirley. After talking with Miss Shirley, police announced she had told them that details of Hightower's story were incorrect. She also told authorities, according to the announcement, that she never knew any woman named Dolly Mason.

Glendale Man Will Sign Pact to Save Starving In Russia

The Walter L. Brown referred to in the following United Press dispatch to The Evening News is the son of Mr. and Mrs. J. D. Brown of 406 North Maryland avenue, Glendale, and brother of Howard Brown:

RIGA, Aug. 13.—Formal agreement on the details of American relief work to aid starving Russians was delayed today when Maxim Litvinoff, soviet representative, objected to a number of American proposals.

Litvinoff, however, accepted the principal proposals presented by Walter L. Brown, representing the American relief administration and the existing differences did not appear to be unsurmountable. It was said that a few days might be required to complete the agreement.

The Russian representative has instructed soviet officials throughout Russia to round up all Americans and send them to Moscow.

Conferences Being Held

RIGA, Aug. 13.—The American effort to save Russia's starving millions was expected to begin officially today. The soviet and United States governments already have agreed on the conditions under which relief work will be conducted and the formal pact was to be signed when Walter L. Brown, European director of the American relief administration and Maxim Litvinoff, bolshevik envoy, resumed their conference.

Brown received a cablegram from Secretary Hughes, instructing him to proceed with the meetings. This was accepted as meaning that release of American prisoners who have already crossed the frontier has convinced the American government of Russia's sincerity. Four more Americans arrived at Reval late yesterday, including two women.

After receipt of Hughes' communication, Brown submitted to Litvinoff a proposal for guarantee of protection for American food and the distributing personnel and outlined tentative methods of distribution. The details were to be worked out in today's meeting.

LUNCHEON PARTY HOSTESS

Mrs. H. V. Brown of 144 North Orange street entertained Friday with a very pretty luncheon in honor of Mrs. Harold Latter. The table was very daintily decorated with yellow and green in flowers and place-cards and covers were laid for Mrs. C. D. Lusby, mother of the honoree, Mrs. C. W. Ingledue, Miss Doris Ingledue, Mrs. E. U. Emery, Miss Juainta Emery, Mrs. Carl Seitter, Mrs. W. G. Elliott, Miss Agnes Brown, Mrs. Harold Latter and the hostess.

VISITOR FROM ILLINOIS

N. A. Abhalter, who is engaged in the grocery business at Aurora, Ill., is visiting at the F. A. Yaeger home, 119 East Cerritos. Mr. Abhalter is a cousin of A. J. Thielen of Eagle Rock, Mr. Yaeger's partner in a sheet metal works at 1418 South San Fernanado road.

FOLLOW OUT TEACHINGS OF 'GREAT PHYSICIAN,' IS PLEA TO NURSES

Pastor Luther Warren Speaks to Graduating Class of Glendale Sanitarium and Hospital

BACCALAUREATE SERVICES for the 1921 graduating class of sixteen nurses from the Glendale Sanitarium and Hospital training school were held this morning at the Seventh-day Adventist church, corner of California and Jackson streets, and were attended by a large number of relatives and friends of the graduates.

The church was decorated with bouquets of red asters and ferns.

The first number on the program was the processional, "Onward Christian Soldiers," by Mrs. Charles F. Swartzfager, organist; and A. Belle Johnson, pianist. This was followed by an anthem, "Hark, Hark, Cy Soul," by the choir, directed by C. H. Jones. The invocation was given by Pastor E. L. Neff. The next number was a baritone solo, "Open the Gates of the Temple" (Knapp) by J. Elwood Moore. The baccalaureate address was given by Pastor Luther Warren.

"For Others" Is Keynote

The nurse's motto, "For Others," was the keynote of Pastor Warren's talk. He emphasized the fact that nurses are expected to more nearly represent the work of the Great Physician than any others. Their lives to be a representation of living for others instead of for themselves.

Pastor Warren stated that it is the Twentieth Century new testament wording of Galatians 5:10 that one should always be trying to find out what best pleases the Lord, and that one should hope to apply that to all the little things of life, in dress, diet, amusement, reading, music, etc., for all these things have their influence.

The old-time nurse and doctor, he continued, got their education by close association with someone who had experience. He emphasized the necessity of coming in close association with the Great Nurse and Great Physician, and of listening to Him above everything else.

Pastor Warren also touched upon the subject of medical ethics. He stated that a good nurse carries out the doctors' orders, nothwithstanding anything to the contrary. But, he stated that when any other orders come in opposition to those of the Great Physician that it is the Christian ethics which should be followed to please Him, even if it displeases everyone else.

The nurse's motto of "For Others" is one that might well be followed by persons in all walks of life, he said.

Fred L. Clint, violinist, played Cadman's "Erinerungen." The benediction was then given by Pastor R. W. Munson.

Members of Class

Members of the graduating class are Emma Lillian Munson, Veda Sue Marsh, Olive Winfred Evans, Hazel Wilma Roberson, Ethel Valena Gyes, Elsie Schmidt Capfer, Elizabeth Evelyn Buhler, Anna Belle Roberts, Ila Marie De Camp, Marguerite Louise Unruh, Fern Lorella Bostwick, Harriet May Alderson, Bessie Jane Gerald, Mabel Mary Stierwalt, Martha Marie Schuler and Bessie Mabry Baker.

Graduation exercises will be held Monday night at the Adventist church. The commencement address will be given by Dr. W. B. Holden, noted physician and surgeon of Portland, Ore.

RELATIVES TO COME HERE

Mr. and Mrs. H. J. Horn of 107½ East Chestnut street are looking forward to a visit this fall from their son-in-law and daughter, Mr. and Mrs. L. S. Stockman, and daughters Thelma and Marjorie of Indianapolis. Mrs. Stockman and daughter Thelma spent six months with Mr. and Mrs. Horn in 1915 and will be remembered by many acquaintances and friends they made while here.

Miss Thelma Stockman was graduated from high school last June, where she made a splendid record both as pupil and as assistant teacher in the art department. She also won several prizes in poster contests last winter. Miss Stockman will continue her art study while in California, specializing in book illustrations and costume design.

MRS. HARRISON TO HELP

Mrs. A. J. Harrison of 441 West Windsor road, who is leaving Glendale this week end for her former home at Hawthorne, Passaic county, New Jersey, called at the Chamber of Commerce for advertising matter which she will distribute among her friends there during a six-weeks' visit. Miss Ellah Dykesten, assistant to the secretary, provided her with booklets, etc., which other tourists may obtain for the asking.

C. S. CONNER IS VISITOR

C. S. Conner, secretary of the San Fernando Chamber of Commerce, was a caller in Glendale this morning to invite a delegation of local business men to attend a valley fair meeting to be held there next Thursday night. Besides a band concert, E. F. Sanders of this city is scheduled to deliver an address to stimulate interest in the big event.

Two Classes Meet for Social Affair; Program Is Enjoyed

"Welcome, Ye Dying Embers."

This was the salutation that greeted the members of the Live Cole class of the First Christian church Sunday school as they entered the portals of the church bungalow at Colorado and Louise streets last night. The occasion of the festivities was paying of the wager by the Alpha Omega class to the Live Coles, who won the recent membership contest of July and August.

Approximately forty members of the two young people's classes took part in the gay affair, which was conducted as a "treat 'em rough" party. All of the merrymakers had been previously "warned" to wear their oldest clothes and that they were "in for an active evening."

The walls of the bungalow were artistically decorated with a combination of orange and black streamers and bunting, with appropriate groupings of flowers interspersing them at regular intervals. Numerous neatly lettered placards, with cleverly arranged phrases of admonition, warning and advice inscribed upon them.

Program Is Enjoyed.

The evening was spent by the young people in a series of lively games and a short musical program, followed by the serving of an old fashioned "watermelon feed" which was enjoyed from a long paper table cloth spread diagonally across the floor.

Following is a list of the members of the two classes who took part in the happy event:

Alpha Omegas: Misses Evangeline Quackenbush, Margaret Morrow, Helen Bulette, Margaret Overton, Catherine Weisling, Amelia Weisling, Eva Dowdle, Guila Darling, Lois Mock, Nell Liggett, Rosalie Gilliland and Yvonne Hill.

Live Coles: Mr. and Mrs. Forest Cole, Mr. and Mrs. C. C. Cole, Mr. and Mrs. A. N. Moore, Mr. and Mrs. R. Carlock, Mr. and Mrs. H. B. Miller, Mr. and Mrs. A. H. Gibbs, Mr. and Mrs. R. T. Green; Mesdames Harry Marple, N. Gorman, F. J. Ream and R. Verdugo.

RETURNS FROM CHICAGO

Mr. and Mrs. R. R. Stubbs of 408 Arden avenue have just returned from a month's visit with relatives in Chicago. They had an unusually pleasant time, the only unpleasant feature of their stay being the intense heat, and made the return trip by way of San Francisco where they stopped for a few days.

AT J. W. WALTON HOME

Mrs. William Chamberlin and daughter Miss Stella Chamberlin of Anaheim and Mrs. Ellen Brown of Santa Paula were guests Friday at the home of Mr. and Mrs. J. W. Walton of 377 West Milford street, and also visited other friends and relatives in Glendale.

Meeting Held Here by Battery Dealers

About thirty members of the automobile battery dealers of the San Gabriel Valley Automobile Trades association met at the Psenner-Doll Auto Electric company at 610 East Broadway Friday night at the first local meeting of the recently organized Battery Crafts association. The purpose of the gathering was to further co-operate the interests of the auto-electric dealers of the various cities located in the association's district.

Joseph Moore, who is president of the San Gabriel Valley organization and vice president of state association, opened the meeting with a short talk on "Service," after which the session consisted of an informal discussion of the various subjects of especial interest to the battery trade.

The regular officers of the association, including C. W. Brady, president; Fred Gillenwaters, secretary; H. V. Ellis, treasurer, were in charge of the meeting.

The next meeting of the Battery Crafts association will take place on Monday evening, September 19, at the Willard Battery company's headquarters at Colorado and Brand boulevards, this city.

ENJOYING TOUR OF EAST

Friends of Miss Lillian Shropshire, who is enjoying a tour of the east, have received word from her at Paris, Kentucky, where she is visiting Mrs. Mollie Rice, a relative. While in Paris Miss Shropshire visited the former home of her grandparents. She also states that a trip was made to the old log church where Alexander Campbell and others had decided to start the new church now called Christian church. From Paris she will go to Danville, Kentucky, to visit Elizabeth Jackson, now Mrs. Armstead Feeland, and formerly of Glendale.

E. D. York and wife, Dr. Margaret M. York, their son and daughter, Everett York and Miss Cynthia York, and niece, Miss Ernestine Fenimore of Mississippi, motored to East Newport Thursday and were the guests of Mrs. Clarence White.

Miss Leona Worstatter of Kansas, Ill., recently arrived in Glendale from her eastern home and is the guest of her sister, Mrs. H. W. McGuire of 1536 Lorraine street. Miss Worstatter has already fallen in love with Glendale and has decided to make her permanent home here.

Mr. and Mrs. L. H. Van Hoorebeke of 1121 Viola street are spending their vacation in northern California. At present they are enjoying a stay in Sacramento, and expect to visit a number of other cities before their return the last week of August. During their absence Mrs. Van Hoorebeke's mother, Mrs. H. Le Van is staying at their home.

Lee Wise, former local high school graduate and young business man, left Glendale Friday evening for Bakersfield, where he will resume his position with a large automobile concern of that city. During the past two weeks Mr. Wise has divided his vacation period between Catalina, Glendale and La Canada, the latter place having been his former residence.

Huge!

In 1920, the total income of all the legal-reserve life insurance companies in the U. S. was one and a half billions of dollars; their total assets are about seven and a half billions; the new business written last year was over ten billions; the total insurance in force is over forty-two billions!

More than two millions a day were distributed to policy-holders or beneficiaries under policy-claims, matured endowments, dividends and surrender values.

No institution does half so much in teaching thrift, establishing credit, creating and conserving estates, protecting homes, providing for the helpless and lessening suffering, vice and crime. Naturally, I swell with pride at being connected with such an institution.

$3,500. Amazing Opportunity $3,500.

Never did a home buyer have this unusual chance to make a selection from ten complete houses, differently designed, and at the same price of $3500. No auction, but a straight sale at a straight price. Each house is of equal value although each is individual and distinctive in character.

The Reason

Why can these residences, situated in three different locations, be sold at the same advantageous price? Because the builder and owner, Mr. A. G. Smith, is constructing all these houses at the same time, to be finished at a specified date, thereby eliminating all waste of material and labor. Mr. Smith is a builder of wide reputation, and has built half a million dollars in buildings at Phoenix, Arizona. The years of experience and buying power in the construction of a number of buildings, gives Mr. Smith an advantage of 20 to 25 per cent savings over anyone building a single house. Mr. Smith's broad vision, in seeing the natural advantages and wants of Glendale, has finally brought him here, and his judgment and enterprise will go a long way in the upbuilding of this community.

CLOTHES MAKE BIG CHANGE IN GIRLS, SAYS EXPERT

Directress of Fashion Show Tells About Models In Merchants' Exposition

By CLASSIE MARLOWE
Directress Glendale Merchants Exposition

It doesn't take long to acquire the temperament of a prima donna by a girl selected as a fashion model. Clothes remake the woman in very short order.

When these new little beauties enter the dressing room on the night preceding my presentation of local ready-to-wear garments, they stand about meekly, timidly awaiting instructions. But let one of them once get into a sable wrap, a silk duvetyn coat, and beneath a silver or gold lace hat, and she became a grande duchesse in manner, just as if Cinderella's fairy god-mother had waved her wand over her. The ruff stuff to which she would not have denied being addicted was shed with the organdie frock, the petticoat, the corsets and brassiere she discards when she becomes a fashion model, for the wearers of the new season's modes appear to regard undergarments as ancient trappings not to be considered among the new fashions, or possibly the lingerie makers merely do not belong to the coat and suit trade association.

She's Almost Speechless

At any rate, the fashion model dispenses with all encumbrances down to one filmsy garment and her stockings, once she has swathed herself about in the velour wrap all lined with chiffron over gold brocade even her slang is forgotten, and for the time being she is necessarily almost speechless. Where formerly she has been accustomed to being addressed as Bet, occasionally insisting upon Elizabeth and possibly at times preferring a Miss, now regally she responds as if she enjoyed it, to exhibitor's commands addressing to "Schmelke," just as if she was a prima donna, while mentally she resolves to change that name to something more euphonious.

The superior airs of the models who have appeared in previous style revues and account themselves experienced, compared to the newcomers, become superfluous, too, presently.

"You needn't be afraid. There is nothing to be afraid of. Nobody will notice you," was a nasty response to an anxious question of a novice trembling with stage fright one evening while I was presenting the revue at Pasadena. When the novice came off after the first so-called "episode" the old-timer, for some reason, felt constrained to place her arms about her shoulders and say:

"Didn't I tell you, dearie, that there was nothing to be afraid of?"

But by this time the novice had recovered from the stage fright and said: "There was nothing to be afraid of, as you said; but it wasn't because nobody noticed me, darling."

Under Personal Supervision

These little situations are very common with models displaying for her ladyship the latest in ready-to-wear. I am mighty happy to say that the Pacific Coast Exposition company, who are directing the Glendale Merchants' Exposition, have made it very easy for me by their bookings from city to city; this enables me to keep my models trained and under my personal supervision with just the right time between shows to study the changes in styles and character of the latest fashions.

Unbeknown to the merchants of Glendale I have spent some time in looking over the garments that are carried by them, and I must admit that the stores, style shops, millinery and boot stores are well supplied with the fall stlyes, and the prices, well, ladies, look them over. Los Angeles is much higher in everything—really that's a fact. Don't spend your money foolishly on something that you can buy at home. Figure it out. You live here. The merchants are making a real city of Glendale, for who? For your own self.

I hope to see you at the Merchants' Exposition some afternoon or evening during the week of August 27 to September 3.

owners are needed to make the factory a going concern.

Besides benefitting from this profit-sharing scheme, the general sales of these tires will make possible the payment of dividends, according to its backers.

South Is Interested

All of southern California will be interested in its success and later the activities of the company will be extended throughout the Pacific coast states where freight rates make it profitable for a western tire manufactory to operate.

Mr. Bruess' plans have been told from time to time in these columns and this is the initial move toward their culmination after several months' strenuous effort on his part. His determination to go "straight ahead" regardless of the financial conditions in the east is a matter of comment among business men here.

NOTICE OF MEETING OF THE STOCKHOLDERS OF THE McLAUGHLIN GLASS COMPANY, CALLED BY THE BOARD OF DIRECTORS.

state department of the auxiliaries Mrs. Marks stated that since January of this year the organization has grown from approximately 300 to more than 4000. Also, that at the convention held in Fresno at that time there were forty-one units in the state, where there are now 104.

Following Mrs. Marks' address an official welcome to the women was extended by Richardson D. White, who is a member of the local post. In his brief speech Mr. Richardson talked on the subject "Education Is the Chief Function of Government," emphasizing the necessity that the American Legion all over the country should work in conjunction with the National Educational association in the latter organization's Americanization plan. In pointing out the importance of eliminating the "hyphenated Americans" from the country he cited the significance of the G. A. R. society's activities during the past half century.

W. B. Kelly Presides

In the absence of Post Commander Emil Keifer, the meeting was presided over by W. B. Kelly, who conducted a short business session prior to the "conglomerate" meeting with the ladies. The business meeting was made into an informal discussion of the various issues that are to be brought up at the state convention at Yosemite on August 22 to 26. Dru Nicoles, who is chairman of the entertainment committee, announced that the regular season of winter dances will start in the near future.

During the meeting a series of short talks were made by Mrs. James McBryde, president of the Glendale auxiliary; Mrs. Nellie Hyer, president of the Long Beach auxiliary; and Mesdames W. B. Kelly, Dru Nicoles, A. Smith, L. T. Rowley and Chalmer Day.

At the conclusion of the session the gathering was turned into a social evening, with dancing as the main diversion. Several vocal solos by H. Lewis, the local singer, were rendered, after which a course of refreshments was served. The carpets were then lifted and an hour's dancing was enjoyed.

AUTOMOBILE SECTION

Glendale Evening News, August 13, 1921

ECONOMIC POSITION OF THE LIGHT TRUCK

THE position of the light motor truck is becoming more important every day.

The light truck occupies the same position in commercial transportation that the light weight car does in carrying passengers.

More people can afford to buy it. More people can afford to operate it. Its service is multiplied accordingly.

It has made possible to practically every farmer and merchant the advantages all trucks have in common. It has enabled them to increase their efficiency, their service to others, their profits to themselves.

There are more light loads to be hauled than heavy ones. And for the light load the light truck is the efficient vehicle.

The light truck reduces waste to a minimum in cargo space and in operating expense. Its capacity is more fully utilized. Short hauls and more of them are more conveniently handled. Long hauls are more speedily accomplished.

As the area of territory to be served and the volume of goods to be transported increase, more trucks of limited capacity can be used. They make the service more flexible and efficient. If necessary a single large consignment of goods may be divided. And the general operating expense is less for each unit of the "fleet."

There is practically no business which the light truck cannot benefit. It is fitting into new businesses and serving new uses every day. Its future is only a matter of individual businesses learning how to adapt its service to their needs.

Sunland Grocery Is Secured by Sebastian

Majors & Nelson have sold their Sunland grocery store to Sebastian's grocery of 145 North Glendale avenue. R. M. Sebastian will live in the Verdugo foothills and conduct this thriving business while his son Howard will continue to conduct the Sebastian grocery in Glendale. They take possession of the new store on August 21. It will be thoroughly renovated, new stock purchased to double the volume of business and plans made to conduct the largest grocery in the foothills with the buying power of two stores.

WITH NASH PERFECTED VALVE-IN-HEAD MOTOR

NEWLY REDUCED PRICES

Increased Value

The plain statement of a price reduction tells less than the full Nash story.

For the Nash manufacturing efficiency and economy that made possible new prices also added quality to Nash cars.

The big Nash plants at Kenosha and Milwaukee are the finest works that could be devised.

Ample finances provided the most modern machinery. Long experience developed the most effective shop practice. And Nash production ability is constantly finding ways to build more economically while building more finely.

The new lower first cost means a lower final cost because of the many betterments continually embodied in Nash cars.

That is exactly what Nash value stands for—paying less and getting more in able performance, in durability, and in solid comfort.

The worth of every Nash car is further safeguarded by our Nash service that is territory-wide and unfailingly prompt.

Come see the Nash models at their new prices.

Noted Westinghouse Battery Service to Local Auto Owners

With the opening of a Westinghouse battery service station in this city, local automobile owners are given the first opportunity to inspect and secure the new "longer-lived" storage battery for starting and lighting.

Made by the Westinghouse Union Battery Company at Swissvale, Pa., with the resources and experience of the Westinghouse Air Brake Company behind it, this new battery enters the field to fill a need for batteries of greater dependability and longer life.

In common sizes, it is claimed that it has from 15 to 25 per cent greater capacity than other batteries. It is made in all sizes for every known make of automobile. The Westinghouse battery carries a manufacturers' absolute guarantee of satisfaction for eighteen months.

The design and production of Westinghouse batteries are supplemented by the quality of service which is being offered at its various service stations. Battery service has been raised to a new plane by the men who are helping to maintain in the battery field the reputation of the name of Westinghouse.

The local service station, just being completed, has been designed with only the convenience of the car owner in mind, having been built back from the street to allow service to be given without entering the building. The customer may, however, enter at one door and go out another at the front, or may drive through to the alley at the rear. It is being equipped with all the latest equipment for the efficient handling of service, and is located in the heart of "automobile row" at 233-5 South Brand boulevard, just north of Colorado.

WOULD IMPROVE ROUTE

Good news for motorists is found in the announcement made by the Auto Club touring bureau that "bog" and "chuckholes" on the Santa Fe trail will be attended to so that the route will be in better condition in the future.

This action along the road which leads directly into southern California was decided upon at a highway conference held in Santa Fe, New Mexico recently. Work in the smoothing of the route is to begin at once.

LAKE TAHOE SCENE OF MEETING FOR AUTO TRADES

Ray L. Galvin Tells About Big Gathering and Aims of Organization

Delegates are gathering today for the northern division convention of the California Automobile Trade association at El Tahoe, on the shores of Lake Tahoe. Several hundred automobile men will be on hand when George Haberfelde, president, calls the meeting to order Monday, Aug 15, according to Ray L. Galvin of the Buick agency here.

Automobile men from all over the state will be there to hear the report on the condition of the organization by Robert W. Martland, secretary-manager, who has just made an extensive trip looking over automobile conditions and delving into the affairs of the industry.

Los Angeles, San Francisco, Oakland, Sacramento and other organizations will send representatives to Tahoe to discuss means of improving the automotive industry and instilling into the minds of the men the necessity for proper business methods.

Interchange of Ideas

Matters of vital interest to the automobile men will be discussed, and it is this interchange of ideas which has made the organization so successful in combating cut-throat repair men, and dishonest practices in the business.

The California Automobile Trade association consists of 3500 members, all in the automotive business, who have banded together to insure the public a square deal. Their insignia, the well known blue wheel and gold radiator, is known all over the state, and eighteen other states in the union have adopted this sign of fair dealing.

"You can be assured that you will receive a square deal when you need service on your car if you take the car to a place where this insignia is displayed," says Mr. Galvin.

The convention promises to be one of the largest ever held in the state.

P. W. Battelle In Active Charge of Auto Trade Bodies

P. W. BATTELLE
In Active Charge of Automobile Trade Association in This Section

The recent merger of the San Fernando Valley Automobile Trade association with the San Gabriel Valley Automobile Trade association brings into the local field, Secretary-Manager P. W. Battelle who will have active charge of both organizations.

Mr. Battelle is an experienced organizer and has met with great success in his work of building up the membership, creating a spirit of active co-operation and instilling in the public's mind the desirability of trading with dealers who display the wheel and radiator insignia and guarantee their work.

A veteran of the Mexican campaign and the world war, Mr. Battelle has, in his years of service in the United States navy, traveled approximately 175,000 miles or the equivalent of seven times around the world. Among the many places he visited were Alaska, all the Pacific coast states, Mexico and Panama on the west coast; Novia Scotia, all eastern states, Central America, South America and Africa, the Bermudas and Azore Islands on the east. He crossed the equator some fourteen times and also had the unique experience of being on a ship which was blown up 1,400 miles out to sea.

Versed in Advertising

After leaving the service Mr. Battelle resumed his position as superintendent of buildings for a large real estate and rental firm in Seattle, leaving there to come to Los Angeles, taking over the position of advertising manager of the Grand Central Public Market, the largest market west of Chicago.

After handling that work successfully, he was offered the position of advertising and sales promotion manager of the Miller Rubber company of Los Angeles, and accepted.

When the San Gabriel Valley Automobile Trade association decided to employ a full time Secretary-Manager, Mr. Battelle was the unanimous choice of the directors.

At the time of his taking over the organization, it numbered thirty-two members. Under his guidance and with the active support of the directors and members the association grew by leaps and bounds until today the membership is eighty, or over 150 per cent increase since the first of the year.

Mr. Battelle is an ardent believer in organization for the betterment of the trade conditions and the Auto Trade associations throughout the state have done yeoman service in eliminating the "fly-by-night" dealer and replacing him by one who lives up to the association's motto of "Your Protection," gives service for a reasonable sum, guarantees the work and who believes that a satisfied customer is a man's best advertisement.

BATTERIES

Foundations for Faith

BATTERIES are bought on faith. The black box is sealed. Top connectors and caps are the only parts you see. You pay for electrical power. You depend upon it mightily. A touch of the starter and it must send your motor whirling. Ignition—lights—the horn—they must never fail. The faith that governs buying must be crystallized in power.

Westinghouse achievements inspire confidence. The first air brake was a Westinghouse. Automatic railroad signals were Westinghouse developments. For half a century the name, Westinghouse, has been associated with the development of power and transportation.

It was logical that Westinghouse should build a battery—natural your faith should be rewarded with results.

Examination of the battery's construction and parts confirms this faith. There has been no compromise. Standards raised through fifty years of achievement have not been lowered. From grid to the shock absorbing U-shaped gasket, the Westinghouse Battery in design, principle and performance conquers supreme tests.

Allied with this new Westinghouse triumph is Westinghouse Attention—a new development in battery service. This service is for the battery now in your car—regardless of its make.

Modern Efficiency Is Given to Bell Buoys

The bell buoy, the solemn tolling of which has been the subject of many a melancholy story in verse, has been much improved upon. It now bears the well known mark of modern efficiency—the electric light.

These buoys are used in some of the inland waterways, according to H. M. Parker of the firm of H. M. Parker and P. A. Black, local Exide dealers, who conduct the Autolectric Service Station at 113 West Harvard street, to guide barges and towboats over the dangerous portions of the channels.

The New York state department of public works has worked out a complete system of buoy lighting in the barge canal through Seneca and Cayuga lakes. Seneca lake is deep enough for barges over its entire surface, but there is a shallow area at the north end of Cayuga lake.

The electric light buoys are used to mark points of safe passage over these shallow areas. Each buoy is equipped with lamps and mechanism for causing intermittent flashing of the lights and an Exide battery to supply the current. The Exides are recharged every two weeks.

H. C. Ferguson and R. L. Webster, both former members of the repair force of the service department of the local Ford agency, have leased the building that is being vacated by the agency and will conduct a general repairing garage there in the near future. They will occupy only the rear part of the building, however, as the two store rooms fronting on Broadway are to be subleased.

Mr. Webster, who has been on a vacation with his wife and daughter for the past two weeks, is expected to return to Glendale today. They have been visiting with friends and relatives in Sacramento, Stockton and several other cities in the northern part of the state.

Record by Chevrolet Told by O. W. Tarr

O. W. Tarr, of the firm of Oma Fish and O. W. Tarr, local dealers in Chevrolet passenger and commercial cars, at 510 East Broadway, relates the following about a record made by a Chevrolet "Four-Ninety" touring car:

"Here is the kind of performance you do not hear of every day. In fact you have probably never seen nor heard of a car that has averaged 27,000 miles a year for six consecutive years.

"It is the sort of service one dreams about as ideal in a motor car—an ideal one hardly expects to realize. When the average car has run one quarter of this mileage the owner begins to boast about it.

"But R. E. Wiley, owner of this Chevrolet 'Four-Ninety' touring car, does not yet know its full ability. He is still running it and averaging sixty miles a day in his travels as a representative of the Talcott company of Hartford, Connecticut.

"He purchased his Chevrolet in 1914. It was the first fully equipped model 'Four-Ninety' sold in Hartford. During the first four years his business kept him constantly on the road, from morning till night, including Sundays. And during this whole period he averaged more than 100 miles a day. Since 1918 he has had less territory to cover and has accordingly driven his Chevrolet only sixty miles a day in the last two years. The total is well over 160,000 miles."

WASTED MAN POWER

Those accustomed to the good old ways are always insistent in their declaration that the claims of the efficiency experts have been greatly exaggerated. New methods, whatever their virtue, are not aiways popular. It is observed that it still requires the services of two willing adult workers to display the wonders of a three-ring circus satisfactorily to one youngster.

A lie can travel only so far before it meets truth face to face.

Ford Agency Moving and So Are Autos; Demand Passes Supply

Jesse E. Smith's Ford agency is surely a busy place these days. Moving into the new quarters at 115-125 West Colorado boulevard does not seem to have slowed up the selling activities in the least. It is understood that up to Thursday night of this week they sold nineteen Ford cars, an average of about five per day. There have been three carloads of Fords, containing twenty cars, received within the last ten days, all of which have been delivered, and also there are other shipments on the way. These, however, do not seem to be coming through fast enough to keep up with the pace which they are setting. On Wednesday they sent out a call to the Los Angeles branch for more cars and received four that day, and three on Thursday in addition to the twenty cars received direct from Detroit.

It is stated that orders are coming in very rapidly and if anyone is contemplating getting a Ford within the next two or three weeks it behooves him to place the order, as the waiting list is growing daily.

WHY FORD TRUCKS ARE SELECTED BY LARGE CONCERN

Local Agency Sells Eight to Bread Company; Some Efficient Features

Recently the Mackechnie Bread company purchased eight one-ton Ford trucks from Jesse E. Smith, Ford dealer in Glendale.

In asking why this company selected the Ford truck with demountable rims, S. L. Davidson, sales manager, gave the following reasons which will be of interest to all truck owners:

"We have tried many trucks and have come to the conclusion that the Ford truck will make better time over the numerous stretches of rough roads that they encounter and more economically than any truck we have ever had to do this hauling.

"We wanted to have these trucks as good looking as possible, believing that a truck with a good looking body is as valuable an advertisement as bill board space. Therefore, we spared no expense in outfitting these Ford trucks with extra fine bodies.

Likes Demountable Rim

"One of the features we like best about the new Ford truck is the demountable rim. Our trucks have to run on schedule time and when a tire gives way, it used to put us off our schedule and it was necessary for the driver to run faster to make up time. This has been practically avoided as it is far quicker to change tires with the demountable rim feature which adds greatly to the efficiency of the Ford trucks from the standpoint of bread delivery.

"In order to keep our Ford trucks in excellent running condition and thereby avoid possible delays on the road, every thirty days each truck is thoroughly gone over. In this manner they are kept in as perfect condition as it is possible to keep them. Not only does it eliminate stops on the road for adjustments, but it is more economical in the long run. Here is where the Ford reigns supreme. We can overhaul a Ford completely in a couple of days, whereas with the larger motored trucks it would take us double that time.

Gasoline Mileage

"Our gasoline mileage is in the neighborhood of eighteen miles to the gallon, seventy-five miles to the quart of oil and 10,000 miles to the set of tires.

"We attribute largely our ability to deliver fresh bread promptly to our customers hundreds of miles away from our Los Angeles plant to the sturdy, speedy and economical Ford trucks that do our hauling," concluded Mr. Davidson.

S. Berman to Begin Work on New Store Building Next Week

Announcement was made this morning by Simon Berman, proprietor of the Berman Tailoring company of 122 North Brand boulevard, that work will be started in earnest next week on his new $8,000 store building to be located at Brand boulevard and Elk avenue. The building is to be of the most modern type, with three store rooms. Only one story will be erected at the present, although Mr. Berman states that preparations will be made for additional stories which are to be added to the structure soon.

The construction is being especially rushed in order that the building will be ready for occupancy by October 1, when the present location of the tailoring concern is to be occupied by a retail shoe store, to be conducted by A. L. Winkler of 311 North Jackson street.

In speaking of the proposed move, Mr. Berman stated that his firm is one of two business houses on Brand boulevard that has not changed its management or location during the last eleven years.

Arrested for Death of Their Daughter

Mr. and Mrs. James W. Salsbury of Chestnut and Main streets, Burbank, have been arrested on charges of manslaughter and failure to provide proper medical attention for their daughter, Wilma, aged 5, who died Monday. According to the death certificate filled out by Dr. A. E. W. Yale the baby died of diphtheria.

It is said that only a faith-healer was called in to minister to the child. After it died they sent for Dr. Yale. A post mortem was conducted yesterday by acting assistant Coroner Durkin after the body had been exumed from Grand View Memorial Park here.

W. Maxwell Burke, assistant district attorney, is pushing the case in accordance with Thomas Lee Woolwine's dictum that the county prosecutor's office would take action in all such cases.

Because of the couple's seven children needing attention, Mrs. Salsbury was allowed to remain at home while her husband had to raise $5,000 bail to keep out of the county jail. The complaint is based on Section 270 of the state penal code.

WORKMAN PAINFULLY HURT

While at work lathing a new house at 117 South Louise street Friday morning Mark Leonard of 148 Paloma avenue, Los Angeles, accidently inflicted an extremely painful wound on his right leg, a few inches below the knee. According to Leonard he was chopping off the end of a long lath when his hatchet, which had just been sharpened, suddenly slipped and struck his leg, tearing several inches of flesh away from the bone. The injured man was taken to his home in Los Angeles.

PRESENT AT ENCAMPMENT

Representatives from the local branch of Mary Jane Gillette Tent No. 18 who attended the encampment of the Southern California Veterans' Association, which has just closed at Santa Monica Canyon, included Cora Jones, president; Susie Peck, chaplain; Mae Burlingham, patriotic instructor; Amie Miller, counsel; Mrs. Jennie Phillips, Mrs. Alma Hillyard and Mrs. Daphne Lyons.

HOSTS AT CORN ROAST

Mr. and Mrs. DeForest Reichard of 1344 Valley View road are host and hostess this afternoon to the employees and members of a seed company of Los Angeles. Entertainment will be a corn roast over an open fire, where several varieties of sweet corn that are being tested out on Mr. Reichard's place will have an opportunity to demonstrate their good qualities.

NEEDLEWORK DISCUSSED

Mrs. Ella Richardson, general chairman of Glendale exhibits, and Miss Eva Daniels, local needlework chairman, attended a meeting of all needlework chairmen for the San Fernando Valley Fair which was held yesterday afternoon at the home of Mrs. Charles Steere at Van Nuys. Plans were made for the placing of exhibits at the fair.

NOTICE

To Whom It May Concern:

Notice is hereby given to whom it may concern that in accordance with the Political Code of the State of California, Section 1617, twentieth, lists of work to be done for and materials or supplies to be furnished to the Glendale Union High School District will be on file in the office of the business manager of the Glendale Union High School on and after the first Tuesday of each calendar month, and you are hereby invited to secure these lists and submit bids upon same. These lists will describe work to be done and quantities and kinds of materials and supplies to be furnished and time of delivery of same.

The bids will be received in said office at the high school up to 12 o'clock noon on the day they are to be opened, and will be opened at the regular meeting of the board in said office at 8 p. m. on the second Tuesday of each calendar month. The Board reserves the right to reject any or all bids.

'LESSONS IN LOVE' PALACE GRAND'S ATTRACTION

Constance Talmadge Appears Full of Pep and Fun In Comedy Drama

Constance Talmadge, as full of fun and pep as ever, is the very popular attraction at the Palace Grand theatre again today. Her vehicle is "Lessons in Love," a corking good comedy drama, adapted from Douglas Murray's stage play, "The Man from Toronto."

The story deals with the attempts of two old men to choose a husband for their ward, a young woman with a very strong mind of her own. When one of them fails in his attempt to bring his nephew east to meet the girl, he plays "dead," leaving a will providing that his nephew shall inherit the fortune if he weds the girl. The report of his uncle's death brings the young chap east as a last courtesy, but he is determined that he will wed only the woman of his own choice. The situation is distasteful to the girl. She does not relish the idea of a prospective bridegroom to look her over, so conceals her identity by masquerading as a maid. The young man is very handsome, and the "maid" flirts with him. Complications multiply, and the big surprise is experienced when Uncle Henry "comes to life."

"The Skipper's Flirtation," carrying a Toonerville trolley full of laughs, and the Paramount magazine complete the pleasant program. The first of the week will see a double bill," "Trust Your Wife" and "The Amateur Devil" as the features.

Harrison W. Frank and Fred Eldredge Taking Many Pictures

Harrison W. Frank and Fred Eldredge have converted the garage at the Frank residence, 1558 East Wilson avenue, into a commercial photographers' laboratory and are already getting in a good many orders for pictures of homes, gardens and children in Glendale. Both have had a good deal of experience in this line of work and are getting a great deal of pleasure out of their new venture. Glendale is, of course, one of the most beautiful cities in southern California and everyone that lives here is glad to get a good picture of their home to send the folks back east.

'Peerless Homes' Will Be Constructed Here

A new organization to be devoted to the building, financing, designing, real estate, insurance and loans is now situated at 212 South Brand boulevard. The company is to be known as the Peerless Home Building & Investment company and is headed by a trio of men from Philadelphia and Oklahoma City, H. G. Schuck, A. B. Schuck, his brother, and Theodore Fleischmann, who will direct the concern. They have their own lots, twenty-three in number at Maple and Adams streets where Mr. Fleischmann will immediately start the erection of his own residence.

The slogan, "Peerless Homes" has been adopted by the company and one of these residences will immediately be erected for Mr. and Mrs. Cannan, who recently arrived in Glendale from Philadelphia.

The Peerless Home Building & Investment company, while devoting first attention to their own properties, will also engage vigorously in the general real estate and insurance business.

The oldest existing Irish newspaper is the Belfast News-Letter, established in 1737.

QUICKLIME FOR THE OLD WALL

Instead of dynamite try quicklime to get rid of an old masonry wall. First drill in the wall a bottle shaped hole having a small opening; fill this with lime, add enough water to slake it, and close the hole with a snugly fitted wooden plug. The resultant pressure will easily take down the wall.

TOO LATE THEN

"All through my trial you kept saying, 'Your honor, I object,'" snarled the convicted crook.

"So I did, so I did," replied his lawyer, soothingly.

"When the judge sent me up for 10 years, why in Sam Hill didn't you object to that?"

FAMOUS SONGS OF DIXIELAND WILL WIN CROWDS

Plantation Four Feature of Vaudeville Program at Glendale Tonight

The ever popular Meiklejohn & Dunn vaudeville road show at the Glendale theatre tonight will offer a program of feature attractions. Headlining the program will be the Plantation Four, a quartet of harmony singers who feature the famous songs from Dixieland. This act has made considerable reputation for their comedy numbers.

Many requests have been received by Manager W. A. Howe for a local appearance of the Keith circuit favorites, Arnold and Taylor, who make their summer home in Glendale. Through a fortunate chain of circumstances Meiklejohn & Dunn have been able to include these two popular entertainers on the program today.

Musical acts in the past have received a generous welcome from local audiences and the advent of Harrison and Halloway with their saxophone and banjo offering will be welcome news. Alfredo "The Musical Clown" is a comedian who plays some very weird instruments—the older residents will no doubt recall him.

And to make this extraordinary program even more inducive the feature picture "The Big Adventure" starring the wonderful child actor, Breezy Eason is included, and Master Eason is scheduled to appear on the stage in person at the first performance.

WALTER WEST SURPRISED

Walter F. West of 338 West Garfield avenue was very pleasantly surprised by a number of friends Thursday evening who decided to assist him in the celebration of his birthday anniversary. Guests at dinner included Colton West, Mr. and Mrs. Robert Carpenter. The table was centered with four leaf clovers. After dinner Mr. and Mrs. W. E. Roake joined the party and 500 was played during the remainder of the evening. High score was made by Mr. Roake.

BACK FROM HOT SPRINGS

Napoleon LeBlanc of 1119 South Glendale avenue has returned from Soboba Hot Springs, where he has been since the Elks' convention. Mr. LeBlanc recently suffered from an attack of pneumonia, which left him with pleurisy. He spent some time at Warner's Hot Springs, where he states the thermometer stood at 95 and 105, and the altitude helped him very much. He returned in time to attend the convention and then went to Soboba Hot Springs.

MRS. LAPHAM IS HOSTESS

Mrs. A. H. Lapham of 415 West Broadway was hostess yesterday to the members of the Foster Bridge club, whom she entertained at luncheon. A red and yellow color scheme was carried out in the floral decorations. A new member, Mrs. S. B. Morse, was taken into the club. High score at cards was made by Mrs. Helen Campbell. Those present included Mrs. C. E. Norton, Mrs. Mabel Rudy, Mrs. A. H. Montgomery, Mrs. Cora Ramsay, Mrs. E. W. W. Hayward, Mrs. Helen Campbell, Mrs. S. B. Morse and the hostess, Mrs. Lapham.

LOCAL BAND PROSPEROUS

The Glendale band has done a great deal of the band work in the valley this season and will be heard at the moon festival Tujunga, for five days commencing September 2, and are being considered by the San Fernanado fair. Manager Burke has just purchased a monster BB four cylinder bass for $200. Bandmaster R. D. Crawford and Soloist Wilbur, have each purchased new gold cornets at $160.

Hurry Up and Win Bike Before School Opens, Young Folks!

Bikes for the boys—and the girls, too.

In the windows of The Glendale Evening News office there are the real $65 Harley-Davidson bicycles this paper will give to any youngster getting twenty new yearly subscribers.

All that is necessary is a little solicitation among those who are not subscribers—a week of real work should "turn the trick." Hustlers still have time to win the wheel before school opens.

Club members are urged to immediately report all business they have done in order that new subscribers will get their paper promptly.

H. W. McGuire Making Several Improvements

H. W. McGuire, who recently purchased the Schaffer-Miles cleaning and pressing company of 221 East Broadway, reports that the establishment is being improved in all of the various departments, and that additional help has been added to the force of employees. The delivery department has been strengthened by the addition of a new Ford delivery car.

The reception room has been made a little more crowded than heretofore, but this was done in order to enlarge the rear work room, which is being thoroughly remodeled.

J. J. Claxton States Business Is Rushing

J. J. Claxton, proprietor of the Brand Cleaners at 217 South Brand boulevard announces an influx of business which has kept himself, Mrs. Claxton and an employe busy from morning until night during the past few weeks.

The Brand Cleaners have arranged facilities for cleaning and blocking felt hats and with the approach of the fall season expect to be exceptionally busy with that line of work.

Mr. Claxton is one of the world war veterans who was wounded in action. He is a member of the American Legion 127, Glendale.

MRS. HAMMOND IS HOME

Mrs. W. S. Hammond of 1236 East Harvard street returned Friday morning from a four months' stay in Oakland with her daughter, Mrs. F. O. Roberts and other relatives. Mrs. Roberts who had been quite ill prior to her mother's arrival, has fully regained her health. Mrs. Hammond reports having had a delightful time but says it has been quite cool all summer in Oakland and she is glad to be back in Southern California where there is plenty of sunshine.

Mrs. Hammond was happy to discover on her return that her new home at 1236 East Harvard street will soon be completed. The family hopes to be able to move in early in the fall.

FAREWELL PARTY IS GIVEN

The members of the Senior and Junior Women's Foreign Missionary Society of the Casa Verdugo Methodist church gave a farewell party Thursday evening for Miss M. A. Spencer, who has been engaged in missionary work for forty-three years, and who leaves for another term of work in Japan after having visited in Glendale for the past year. Miss Spencer was presented with many gifts by the members of the society. After a social evening refreshments were served.

RAILROAD BILL FAVORED

WASHINGTON, Aug. 13.—The administration's railroad relief bill will be favorably reported to the senate next week, without the slightest hope of its passage this session, members of the senate interstate commerce committee today stated. President Harding has been notified that the legislation stands no show of immediate passage either in its present form or with suggested compromise amendments.

Glendale Has But ONE Cemetery Of Its Own---

Grand View Memorial Park

Grand View Memorial Park commands a unique position among other cemeteries—in addition to its many other advantages—in that it is the best drained cemetery in the San Fernando Valley. Lying high and dry in its beautiful location—the drainage is perfect.

The management ABSOLUTELY GUARANTEES that there are no watery graves in Grand View Memorial Park.

Every inch of our beautiful grounds is under perpetual care and magnificent developments are now under way.

The new chapel now in course of construction will be complete in about thirty days and is acknowledged to be one of the most modern and best arranged chapels in Southern California.

Here you will find every service and consideration which should merit your investigation in lieu of those trying times when such facilities as we offer are so necessary. Our private car is at your service without charge when you wish to visit the grounds.

Santa Monica Team Beats Local Squad In Bowling Contest

Although Glendale Elks bowling team met defeat last night in the match played with Santa Monica team No. 2 on the local alleys, it was a most interesting game, with a good deal of pep and enthusiasm on the part of the rooters of both teams. Highest individual score for any one game and highest average for the three games was made by Shaffer of Santa Monica. In one game he rolled 256, his average being 224.

The players and score were as follows:

Santa Monica Team No. 2

Lunch was served in the banquet room following the bowling match.

Knights of Pythias Will Attend Outing

The meeting of Glendale Lodge 331, Knights of Pythias at their Castle Hall, corner of Brand boulevard and Park avenue, this week will be long remembered. The usual number of visitors were present and many assisted in the initiation work of the Esquire rank, which was unusually impressive. Encouraging reports were made regarding the membership drive which is gaining in interest and enthusiasm and additional plans were brought forward. It is confidently asserted that the membership will soon number several hundred more than at present.

An outing will be held Sunday at Griffith park for all Pythians and their families. This will be in the nature of a basket picnic. All who have no conveyance are asked to phone S. E. Wright.

A delegation of officers of this lodge will go to Los Angeles Pythian headquarters to meet the grand chancellor and other officers and complete plans for a monster Page rank initiation to be held in a few weeks. Several hundred candidates are now ready for initiation in this class and more are promised. This initiation promises to be the biggest event in K. of P. circles for some time.
